WACD Plant Materials Center

Phone: 360-757-1094
Address: 16564 Bradley Road, Bow, WA 98232

The mission of the WACD Plant Materials Center is to provide high quality conservation plants, materials, and services for the benefit of natural resources. The WACD Plant Materials Center was established in 1993 to provide high quality tree and shrub seedlings for the conservation community.

The 60-acre bare-root nursery, located in Skagit County, produces over 70 species of quality conservation seedlings and cuttings. Many species are available as a 1-year seedling, 2-year seedling or as a transplant. Contract growing is available to clients requiring specific species and stock types.
